1 in 4 six year olds in Ireland have their own smartphone

1 in 5 three and four year olds in the UK have their own mobile device

Tools

Kid safe phones

gabb

 **pinwheel**

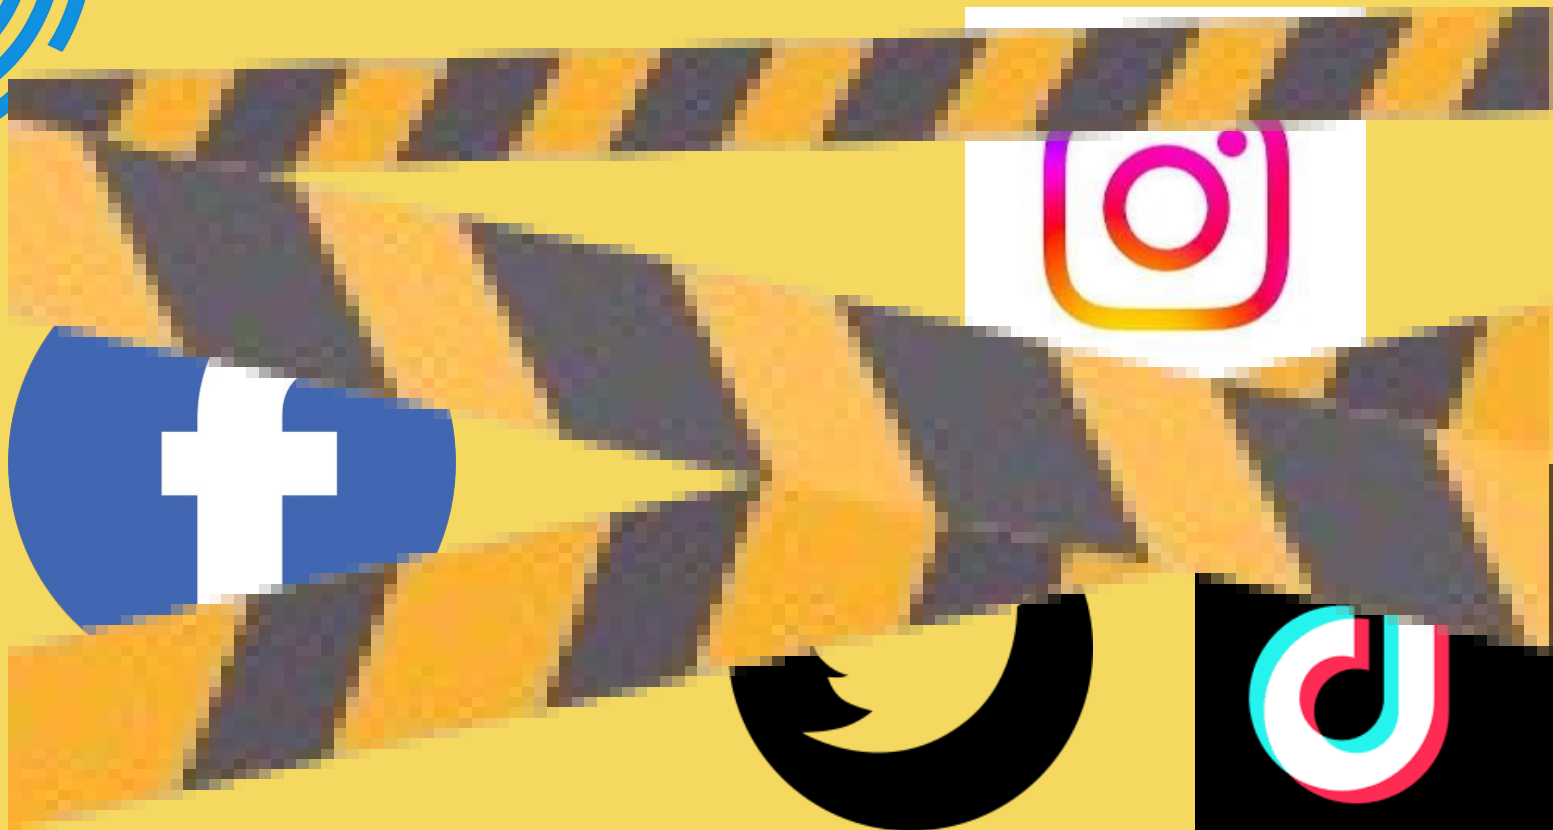

bark 

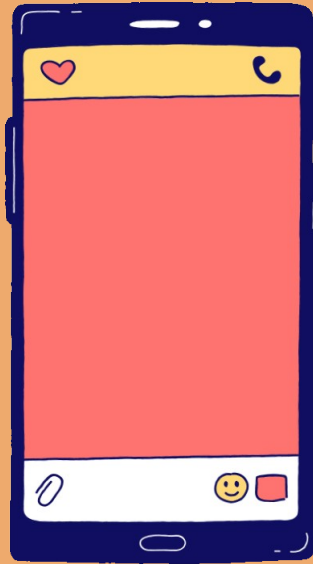

GPS

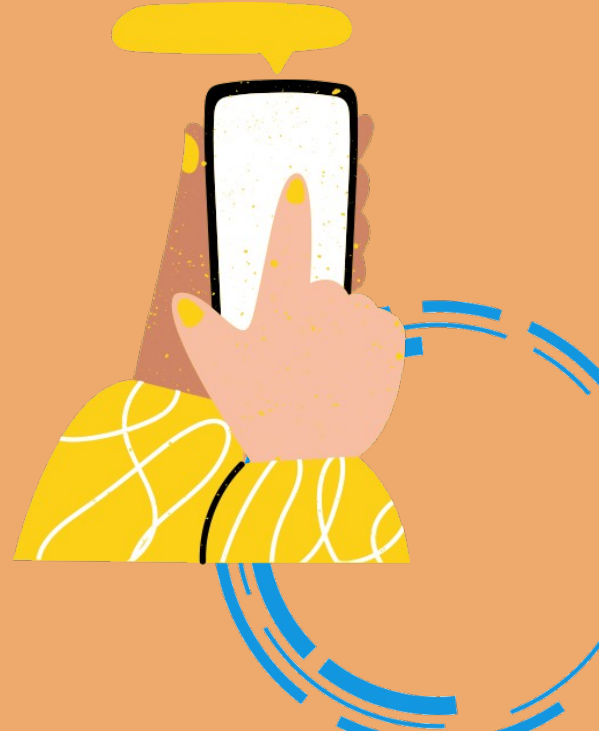

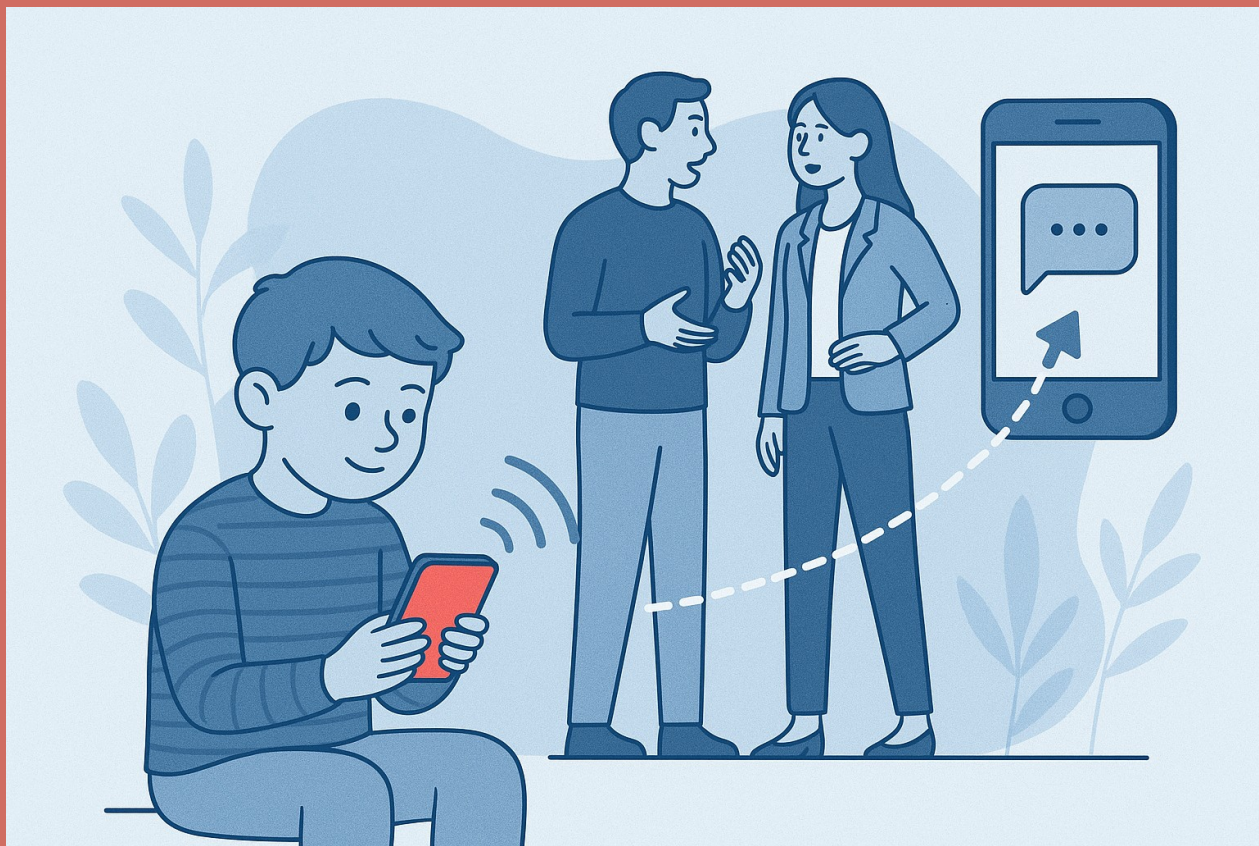

Kids phone

Your phone

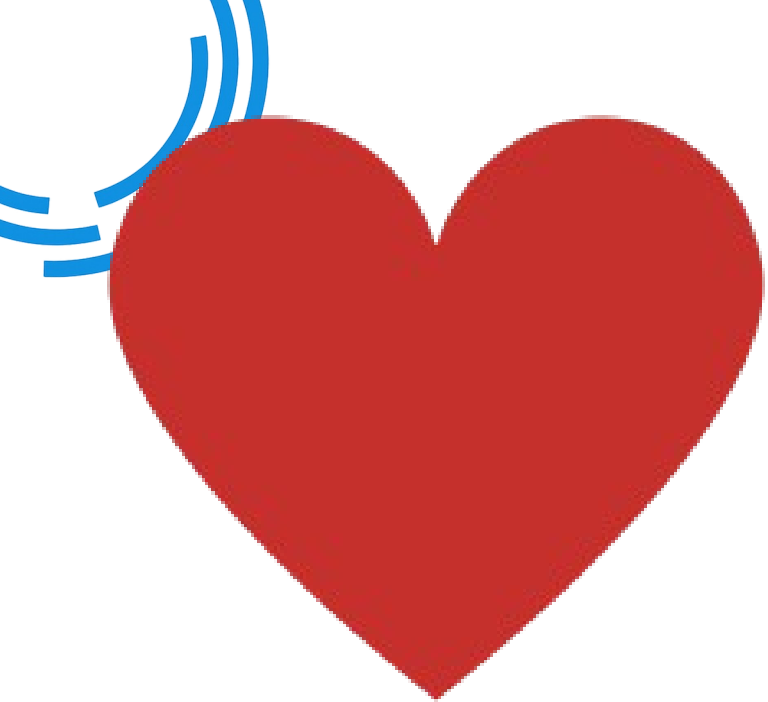

Spyware

- GPS tracking
 - Restricting access
 - Remote access to data
 - Listening in
- 

Bark, Gabb and
Pinwheel socials have
excellent information

What's next?

Make informed decisions on what tech to use,
and how and when to give access

Parental Controls

Common Sense Media

Educate

Communicate!

Remind young people: Nothing that happens online is so
bad you can't come back from it.

Thank You!
